Bring Copies of Your Resume

You will be handing these resumes directly to the hiring managers from each company.

What to bring...

You should bring plenty of resumes, as you will be giving them directly to the hiring managers at each company. If you have a multi-page resume, make sure your name and contact information is on each page. Be organized with supplies you might need i.e. pens, paper, business cards, etc.

How long should you spend at the job fair...

You can spend as little or as long as you want at the show. In one hour you should be able to speak with at least ten companies or more.

What do I do at the job fair?

Walk up to each company, introduce yourself, shake their hand, give them a resume and tell them about yourself. These people want to hear you talk and see if you can listen as well. Tell them about your success at your current or last job, describe your job duties and how you can help them.
